Project Recipe:

1. You will need the following card stock supplies:

-4 1/4" by 11" piece of Whisper White thick scored at 5 1/2"

-4" x 5 1/4" piece of Terracotta Tile card stock

-3 3/4" x 5" piece of Purple Posy card stock

Whisper White scraps

Crumb Cake scrap

2. Using Seaside Spray ink stamp the solid stamp on a piece of scrap paper. Use Pretty Peacock ink to stamp over the top.

Punch out the balloon using the coordinating hot air balloon punch.

3. Punch the basket out of a scrap of Crumb Cake card stock. Stamp the basket design using Crumb Cake ink.
4. Using the Stitched Shapes dies, cut out the largest and smallest circles from a scrap of Whisper White
5. Adhere the balloon and basket to the left hand side of the largest circle. Stamp the sentiment toward the right hand side of the small circle.

Hold the circles in place with the circle going over the edge of the Purple Posy piece. Make sure you have them on the correct side and that none of your image is over the edge. Hold securely and flip over. Use the card stock base as a guide to trim off the excess of the circles.

6. Place the Pretty Peacock Scalloped Linen trim piece a little over 1" from the bottom of the Purple Posy panel. Adhere the excess to the back of the panel.
7. Adhere the Terracotta Tile panel to the front of the card. Add the Purple Posy panel on top.

Using dimensionals place your circle pieces on the card front.

Place sequins as desired on the panel to accent.
